Loft Gallery Proposal Guidelines

Located on the third floor at the Columbus Cultural Arts Center (CAC), the Loft Gallery primarily features artists who take classes at the Center, local arts organizations, or up-and-coming artists within the community. The Loft Gallery is an opportunity for emerging artists to gain insight on the exhibition process, and often allows for a first time experience of their artwork being on display. We feature several types of exhibits annually, including: solo or duo exhibitions, theme exhibitions, and local arts groups. Proposals may be sent in at any time to the contact shown below and they will be considered in the next review cycle. We typically schedule exhibitions 12 to 18 months in advance.

GOALS FOR ALL OF OUR LOFT GALLERY EXHIBITIONS ARE TO:

- Provide opportunities for CAC artists and local emerging artists to show their work in a great space;
- Provide guidance on the exhibition process and first time exposure for new artists;
- Attract new visitors into the Cultural Arts Center who will then be inspired to create their own art
